HARDWOODS SPECIALTY PRODUCTS

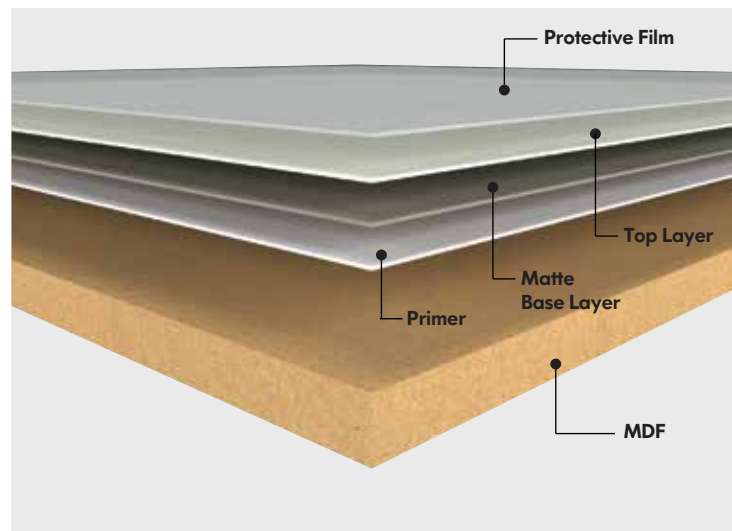

MATTE POLYMER PANELS

The natural beauty of the colors and low reflective properties of AGT Matte Polymer Panels creates room environments that are both elegant and tranquil. Visually beautiful AGT panels will also be appreciated for their soft feel and durability.

Choose style. Choose durability. Choose AGT Matte Polymer Panels.

AGT Matte Polymer Panels offer:

- Superior surface quality
- Trend-setting palette of rich colors
- Balanced MDF fiber composition
- Ease of use
- Strong resistance to chipping
- Excellent stain resistance

MATTE POLYMER PANELS
